# ROI Projections

## Expected Performance Metrics

|             |        |             |              |
|-------------|--------|-------------|--------------|
| Impressions | Clicks | Conversions | Tickets Sold |
| 250,000     | 5,000  | 300         | 375          |

## Revenue Projections

- Marketing Investment: \$3,000
- Expected Ticket Revenue: \$49,875.00
- Net Profit: \$46,875.00
- ROI Multiple: 16.63x

## Success Metrics

The success of this marketing campaign will be measured by:

- Ticket sales conversion rate (target: 4-6%)
- Cost per acquisition (CPA) below \$15
- Email open rate above 25%
- Social media engagement rate above 3%
- Website traffic increase of 300%+
- Overall ROI of 4x or higher

# KPI Tracking & Analytics

## Key Performance Indicators

| KPI                        | Definition                                | Frequency    |
|----------------------------|-------------------------------------------|--------------|
| Impressions                | Total ad impressions across all channels  | Daily        |
| Click-Through Rate (CTR)   | Percentage of people who click ads        | Daily        |
| Cost Per Click (CPC)       | Average cost per ad click                 | Daily        |
| Conversion Rate            | Percentage of clicks that result in sales | Daily        |
| Cost Per Acquisition (CPA) | Average cost to acquire one customer      | Daily        |
| Return on Ad Spend (ROAS)  | Revenue generated per dollar spent        | Weekly       |
| Email Open Rate            | Percentage of emails opened               | Per Campaign |
| Social Engagement          | Likes, shares, comments on social posts   | Daily        |
| Website Traffic            | Unique visitors to event page             | Daily        |
| Ticket Sales Velocity      | Number of tickets sold per day            | Daily        |

## Analytics Tools

- Google Analytics - Website traffic and conversions
- Facebook Ads Manager - Meta campaign performance
- Google Ads Dashboard - Search and display performance
- Email Platform Analytics - Open rates, CTR, conversions
- AI Tickets Platform Dashboard - Real-time ticket sales

## Conclusion

This marketing plan provides a comprehensive roadmap for promoting AI Summit 2026. By leveraging demographic insights, targeted advertising, and a multi-channel approach, we project reaching 375 attendees with an ROI of 16.63x.

Success depends on consistent execution, active monitoring of KPIs, and agile optimization based on performance data. Regular reviews (weekly) will ensure the campaign stays on track and budgets are allocated to the highest-performing channels.

## Next Steps

- Set up tracking pixels and analytics (Week 1)
- Launch Meta and Google ad campaigns (Week 2)
- Begin email marketing sequence (Week 2)
- Monitor daily performance and optimize (Ongoing)
- Weekly performance reviews with stakeholders
- Post-event analysis and learnings documentation
